Morning David

I hope you're well? glad to hear that you arrived safely.

I have read the attachments, they are pretty bog standard. They are encouraging you to seek private accommodation.

In any event, if it's council property you want the best way is to allow the eviction to take place during the natural course of the process.

In any event, I have completed your application notice which is urgent as the Claim for Possession has left the station.

Please read the attached:

1 x application notice

1 x witness statement and draft order

1 x invoice

Let me know if you have any questions

speak to you soon

Kind regards

Hi ████████

Hope you had s nice day

I've just safely arrived in Dubai after a good flight

On opening my phone I received an email from Enfield Council

I forwarded to you please read it and let me know what your thoughts

I can't open up the attachments at the moment

You know how I feel about private accommodation Leslie I want a council home going private looking around it's not for me

I will have to go all the way to eviction unless there is another way

Unless there is a legal way with my health situation to push for a council home rather than looking for private which is what the council tend to do then forget you it's a trap

If I have to I'll go all the way to eviction

Anyway [REDACTED] I'll leave it at that

Kind regards take care good night bye for now

David
